

What do I do if I did not receive notice of my court date?

If you believe that you were not given proper notice of your court date, you can ask to have the judgment set aside. You must do so by filing a Motion to Set Aside Judgment setting forth the reason why the judgment should be set aside. The Court may schedule a hearing on your motion. Both parties should appear and be ready for trial. If the motion is granted, the Court will try your case immediately.
