

Fees

Recording standard and non-standard documents is \$7.00 per page. An additional \$10 per document will be charged to record non-standard documents.

Document Standards

1. Margin requirements are: 3” at top of 1st page, at least 1” at top of all subsequent pages, 1” at bottom of each page, **at least ½”** on sides of each page. If an insignificant portion of the signature (such as the “tail-end” of the last letter) is in the margin the document will be standard. If a portion of the signature in the margin is a designation such as: Sr., Jr., II, III, POA or Attorney-In-Fact; these designations will be considered significant and cause the document to be non-standard.
 2. **Include the name and mailing address of the person** to whom the document is to be returned in the margin in the **upper left-hand** corner of the 1st page of each document which may be legibly printed in ink or typed. The document is non-standard if no return address is included in the upper left-hand corner of the 1st page. If the document is to be returned to a different address than in the upper left-hand corner address, the document is non-standard.
 3. Except for page numbers or **other administrative information or designations** all **margins must be clear** of all markings. The document standards committee has determined that other designations may be:

A whole document legibly printed in blue or black ink, meeting all other document standards, is a standard document. A whole document that is written in cursive is non-standard.**
