EXECUTIVE ORDER NO. 4-2020

FILED March 20, 2020

TO: Montanans; all officers and agencies of the State of Montana
FROM: Governor Steve Bullock
DATE: March 20, 2020
RE: Directive Implementing Executive Orders 2-2020 and 3-2020 and providing for measures to combat the spread of COVID-19 via food and beverage services or casinos

Executive Orders 2-2020 and 3-2020 declare that a state of emergency exists in Montana due to the global outbreak of COVID-19 Novel Coronavirus.

Section 10-3-104, MCA, provides emergency powers to the Governor to “control ingress and egress to and from an incident or emergency or disaster area, the movement of persons within the area, and the occupancy of premises within the area.” Moreover, pursuant to § 50-1-202, MCA, the Department of Public Health and Human Services, at the direction of the Governor, may issue orders to correct conditions of public health importance.

To curtail the spread of the COVID-19 pandemic in Montana, it is necessary immediately to prohibit any number of people from congregating in public venues for purposes of public food or beverage service and other activities that pose an enhanced risk, in order to limit opportunities for disease exposure and transmission in the state.

In accordance with the authority vested in me under the Constitution, Article VI, Sections 4 and 13, and the laws of the State of Montana, Title 10, Chapter 3 and Title 50, Chapter 1, MCA, and other applicable provisions of the Constitution and Montana Law, I hereby direct the following measures be in place in the State of Montana effective as of 8 p.m. on Friday, March 20, 2020:

- The following places are closed to ingress, egress, use, and occupancy by members of the public:
  - Restaurants, food courts, cafes, coffeehouses, and other similar establishments offering food or beverage for on-premises consumption.

  - Casinos.

- The places subject to this Directive are permitted and encouraged to offer food and beverage using delivery service, window service, walk-up service, drive-through service, or drive-up service, and to use precautions in doing so to mitigate the potential transmission of COVID-19, including social distancing. Customers may order and pay by telephone or online from a...
retailer or manufacturer licensed to sell alcoholic beverages in the State of Montana. A retailer
or manufacturer licensed to sell alcoholic beverages in the state of Montana may deliver for
sale the alcoholic beverages for which it is licensed. Delivery must be conducted by the
licensee’s employees over the age of 21 and age of the purchaser and recipient must be verified

while on premises.

• Consistent with the above, strict compliance with §§ 16-3-101, -219, -243, and -418, MCA, and
other applicable laws are waived pursuant to § 10-3-104, MCA and other applicable provisions
of law.

• In the interest of uniformity of laws and to prevent the spread of disease, all inconsistent

they are less restrictive. Counties may adopt more restrictive ordinances.
