

## August 23, 2021 Regular Session of the Beaverhead County Commissioners

The Board of Commissioners, in and for Beaverhead County, Montana, met in session on August 23, 2021 at 9:00 a.m. in the Commissioners' Room of the Beaverhead County Courthouse. Present: Chairman John H. Jackson, Commissioner Mike McGinley, Commissioner C. Thomas Rice and their Assistant Cindy Decker.

### Updates on County Projects

Road Supervisor Bob Ferris and Public Works Secretary Jamie Flynn joined the meeting. He stated that Schuler Lane has been dura patched. They are making sure the school bus routes are in good shape. Bob will be taking a trip up to the Centennial to look at a gravel pit.

Casey Elliott from the Tribune, Sheriff Paul Craft, GIS Coordinator Tracy Sawyer, County Attorney Jed Fitch and Facilities Manager Chris Booth joined the meeting. Chris stated that when we had the fire drill last week, he found out several issues that need to be remedied. He got ahold of Johnson Controls and a walk through is being scheduled regarding some of those issues. He also mentioned that landscaping around the new patio will be done mid-September weather permitting.

Tracy commented that 14 out of 32 folks have passed the annual Cyber Security Assessment test. He will send out a gentle reminder this week to the rest of the employees.

Paul mentioned the emergency lighting in Detention and Booking. It is not working; this was discovered last week during the fire drill as well. He mentioned that Facilities Services have been on the spot in fixing lights in the stairway to Detention and he thanked them. Paul met with Motorola last Friday and the ball is rolling for the video equipment for his projects.

Paul offered condolences to the Mathson family as word was received that Pam Mathson passed away. She worked as the Sheriff's Administrative Assistant for over 30 years.

He discussed the jail renovations and Commissioner McGinley stated that we need an official bid from RE Miller to turn in with the grant application for the Sally Port. Jed stated that there is still not much interest in the Deputy County Attorney position. There is a Justice Court trial coming up soon, so the costs for Jacy Suenram will be more.

The following Road Department Report was submitted and scanned into the minutes:
